CASA DEL SOGNO - ANJUNA

Four Tropical Villas Within a Mango Grove.

Nestled within the canopies of aged mango and jackfruit trees, the four villas of Casa Del Sogno - Anjuna are designed sensitively for a quiet and leafy retreat full of solitude.

Each unit is designed within a lush landscape and is rendered in simple yet rich and elegant palette of materials. Each unit has an access to the sky through open and semi-open terrace spaces and ample balconies. The airy houses are designed for natural light and the landscape complements the built structures on the site.

Close to the Anjuna - Mapusa main road, the houses retain quietude - designed for a tropical escape and a rich, content life.
